$50 MILLION DEVELOPMENT AT BRISBANE

Industrial Boom On Crocker Land

Plans for the creation of the Crocker Industrial Park, a $50 million industrial area on 250 acres immediately adjacent to San Francisco, were revealed Monday by executives of Crocker Land Company.

It is located one mile south of the San Francisco City and County line on Bayshore boulevard next to Brisbane.

"Crocker Industrial Park is expected to attract warehousing and distributing facilities serving the metropolitan Bay Area, light manufacturing serving national and regional markets, and service establishments related to San Francisco and Bay Area industry because of its unique geographical location and the high type of development planned", commented William F. Morton, vice president and general manager of Crocker Land Company.

The Crocker property, of which Crocker Industrial Park will occupy but a 250-acre level section, covers some 4000 acres of hillside slopes and level land owned for almost three-quarters of a century by Crocker interests. It is bound by San Francisco, Daly City, Colma and South San Francisco and Bayshore Boulevard.

"The development of this land, which can become the industrial heart of the northern part of San Mateo County, has been on the drawing boards for a number of years", Morton said. "We have not rushed ahead, for we felt that a project of the size contemplated should have the benefit of the best thinking of urban land-use experts from throughout the United States, since it occupies such a strategic position in the geographical make-up of the entire San Francisco Bay Area."

Members of the Industrial Council of the Urban Land Institute several months ago flew to San Francisco for a four-day panel session with Crocker executives, goverment planning officials and utilities representatives to analyze planning that had been done on the industrial park. The Industrial Council, composed of nationally-recognized leaders from various fields interested in the use of land by industry, later issued a formal report commending the planning on the project.

"Engineering on the Crocker Industrial Park has been completed", Morton said, "and work on transforming the level valley section into an attractive landscaped setting for light industry has begun. Streets, rail tracks and all other utilities are being installed."

The Crocker Industrial Park is adjacent to a six-lane highway which feeds into the Bay Area's freeway system. The off-

STARR DUNHAM IS PERSONNEL BOARD CHIEF

Starr Dunham, 63, senior member of the board, was appointed chairman of the Daly City personnel commission last Thursday evening.

Dunham, who resides at 80 Cliffside drive in Westlake, is vice president at McKenzie and Harris, San Francisco type founders and typographers. Born in Colorado Springs, he has lived in the Bay Area the past 40 years and in Westlake as a pioneer—for nine years.

Dunham has been on the personnel board the past two years. Other members are Mel Battye, Robert Young, John B. Drye and Joseph Schultz.

Starr and his wife, Anne, have one married daughter, Mrs. Jaqueline Duetsch, a San Francisco resident.

Dunham reminds that personnel board sessions are open to the public. Meetings are held on the second Thursday of each month at City Hall, 75 Wellington avenue, starting at 8 p.m. The September meeting will be held on the first Thursday in order to have a full board present.

JESD Changes Central Office Site Location

Jefferson Elementary School District trustees Monday night instructed their architect to proceed with revised preliminary plans for a new central administration office site on two of the 21 acres of the Thomas Edison School property in Westlake Unit No. 10.

Superintendent Richard Foster said a saving of $60,000 from the estimated $380,000 which was to be paid for total construction and land on the Olcessi property in St. Francis Heights makes the new office site more feasible.

He explained: "The more work we did at the Olcessi site, the more difficulties we encountered. Some of the hindrances included heavy grading and fill, access, underground conduits that would have to be removed, and purchasing the property itself."

The two acres on the northeast corner of the Thomas Edison property are available and would save the board the prospect of hunting for additional property, Foster stated. "The administration is sure there are not as many problems at this location," Foster declared.

The central office will be located off Southgate avenue at the corner of Lincoln avenue and Lakeshire drive.

Police Program Will Register All Bikes Here

Daly City police will start a bicycle license program within the next two weeks which will find youngsters paying a 50-cent fee — good for the duration of bicycle ownership, according to Sergeant Henry Sunderman.

Sunderman stated the police department has more than 100 bicycles in their property room and cannot locate the owners. "With this license registration, 95 percent of the problem will be eliminated. It is mainly to help people identify their bikes when they are recovered," he said.

BREAKDOWN ON CITY'S BUDGET DUE NEXT WEEK

A breakdown on the major expenditures in Daly City's new fiscal budget will be available in next week's publication.

The council is expected to set a 90 cent property tax rate and officially adopt the new budget at its regular meeting next Monday night, City Hall, 75 Wellington avenue, starting at 8 p.m.

DC Wife Guilty On Juveniles

Mrs. Oleta Ruffer, Daly City housewife described by police as a woman "who thinks she is a detective for this department", found herself on the opposite side of the law last Thursday as she was found guilty of contributing to the delinquency of a minor.

Mrs. Ruffer, 37, formerly of 189 Alexander avenue, will be sentenced on September 4 by Superior Court Judge Frank B. Blum.

She was convicted of allowing her son by a former marriage to entertain a young girl in his bedroom on two occasions in 1957. Leo Ruffer her husband, a cab driver, ordered the girl out of the house the second time when he came home from his night-shift work.

The jury of seven women and five men dismissed charges that Mrs. Ruffes gave an 18-year-old San Francisco mother a drug to abort a third pregnancy, and that she gave alcoholic beverages to minors.

ON THE JOB less than a year, City Manager George W. Watts was ousted by unanimous council edict in a surprise special meeting Tuesday night. Personal financial problems was the reason given by the council in asking for the 41-year-old administrator's resignation.

FINANCIAL DIFFICULTIES

George Watts Resigns Over Personal Woes

The city council Tuesday night in a surprise special meeting unanimously accepted a requested resignation from City Manager George Watts, culminating a week-long investigation of the 41-year-old administrator's "personal financial problems."

Mayor Edward Dennis issued the following exclusive press release:

"The mayor and city council of Daly City have within the past few days been apprised officially of certain conduct by the city manager, George W. Watts, which, while not directly connected with his official duties, nonetheless in the judgment of the city council, requires that his resignation be requested."

"Accordingly, pursuant to such request, the city manager has in writing resigned from his office, effective immediately."

"Pending the selection of a new city manager, Paul Hupf (city attorney) and the city clerk will oversee all vital functions under the direct jurisdiction of the city council."

SUPERVISORS SET FOUR CENT CUT IN COUNTY TAX

Daly City residents, already guaranteed a two-cent drop in the city tax rate, got more welcome news this week.

County supervisors Tuesday in Redwood City adopted a basic county tax rate of $1.84 per $100 assessed valuation. This is four cents lower than the rate last fiscal year.

The lower county levy was attributed by County Manager Bob Stallings to an increase in assessed values of private and public utilities and more than expected surpluses in social welfare and general funds.

Total county budget, everything included, under the new tax rate will hit $28,637,624. This is an increase over last year of approximately $3.3 million.

Last year's $1.88 tax brought the county $11,305,537 in revenue. The reduced levy will bring a total of $12,453,356.

Basin Site School To Go To Bid

Superintendent Richard Foster today said the Jefferson Elementary School District will give final approval on drawings for the Fernando Rivera School to be located in the Westlake basin area and advertise for construction bids next week.

Bids will be opened in approximately five weeks, he estimated. The 12 classrooms and administration building are due to be completed by September of 1960. The new school will house 450 pupils.

Estimated cost for the entire project is placed at $529,133.80. Foster says a more comprehensive price will be announced after bids are opened.

The board of trustees, Monday night, approved the notice of completion of engineering and a four-foot surcharge fill for the Rivera School grounds.

Deeds were accepted at the

POLICE CORRAL HORSEMAN FOR DRUNK DRIVING

Fred Harrington, 50, who listed his birthplace as Gold Hill, Nevada, had to dig up $750 bail Tuesday morning after police arrested him Monday for drunk driving and attempting to leave the scene of an accident.

Harrington, 1555 Sullivan avenue, Colma, hit a parked car belonging to Frank Tracy, 45, 715 Larchmont drive, Colma, in front of 20 West Market street, Daly City.

An onlooker, John Franco, 44, 148 Dunks street, Colma, told police he saw Harrington's car swing widely as if to park on the other side of the street. Harrington's auto, with him slumped behind the wheel, struck the parked auto of Tracy, according to Franco.

Franco said he grabbed Harrington's keys when the latter attempted to drive off. His story was verified by Erston Mathery, 39, 249 1st avenue, and William Titus, 34, 227 Hazelwood drive, South San Francisco. Mathery owns Bud's TV Store, 20 West Market street, and Titus is an employee there.

Sergeant David Hansen and Officer Robert Sims arrived at the scene and asked Harrington for his driver's license. He offered a bail bondsman's business card in return. Asked again, he offered several large denominations of money. Told to get out of the car, Harrington almost fell to the ground, Sims reported.

A sobriety test at Junipero Serra Hospital proved positive and Harrington was held Monday night and then released on bail the following morning. He listed his occupation as a horse groom.

Two Teenagers Hurt On Serra As Car Hits Van

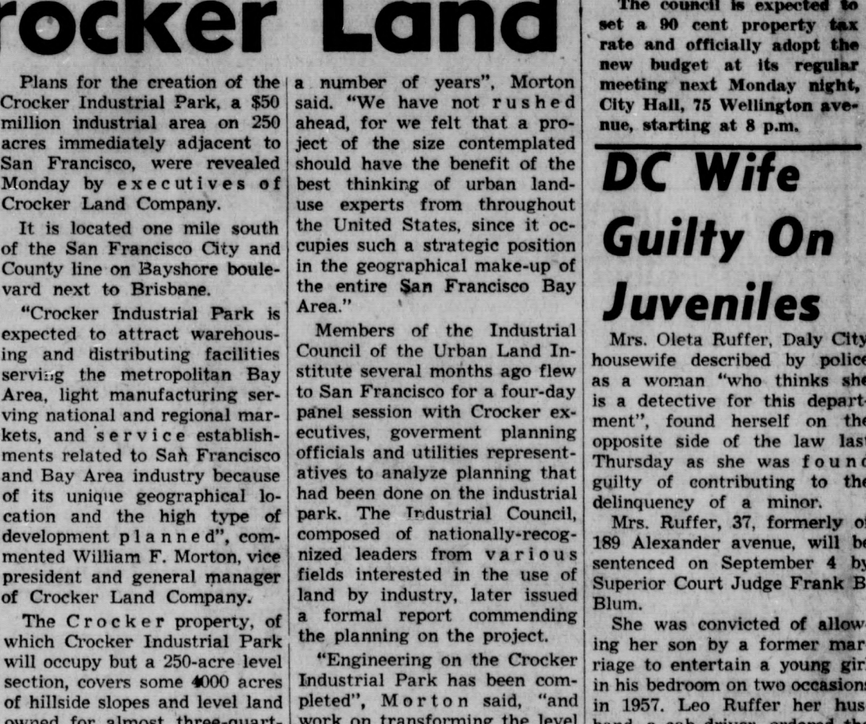
Bernadette Benando, 15, 54 Como avenue, suffered cuts on her face and a possible fracture of the arm, and James Waite, 18, 280 Frankfort street, sustained a fracture ankle last Wednesday afternoon when the car they were riding in collided with a two ton van.

Both teen-agers were taken by M&D Ambulance to Junipero Serra Hospital for treatment and the girl was later transferred to St. Joseph's hospital.

They were riding in an auto driven by George J. Beutler, 17, 361 1st avenue, a Jefferson High student. His vehicle collided with the Tri-City Parcel truck driven by James L. Bloch, 36, of Atherton.

Bloch said he was leaving the Suburban House, 2147 Junipero Serra boulevard, and saw only one car approaching from the south, a quarter of a mile away. He claimed Beutler's auto passed the lone car and since Bloch's car was in a low gear he was unable to get out of the way.

Officer Richard deLosa said the skid marks showed Beutler's auto was exceeding the speed limit and Bloch should have waited until he was certain there were no cars coming. No citations were given.



PLANNING commissioner Art Colvin and Miss Bert Cooper point out the city's proposed Master Plan Land-Use map, one of several on display for public examination at the city hall council chamber, city clerk's office, War Memorial Community Center and at both DC library branches. Hearing on the Land-Use map comes before the council September 21 at 8 p.m. The Master Plan Zoning map is open for public scrutiny at War Memorial building. Hearing on the Zoning map will be aired by the planning commission on October 13.

Money Is Diverted

FRANCIS BLASTS STATE FAILURE TO DEVELOP THORNTON BEACH

Assemblyman Louis Francis of San Mateo County today blasted the state administration "for repudiating its commitment" last year to spend $61,900 for the necessary development of Thornton Beach west of Daly City prior to July 1 this year.

Francis, who has actively worked for this recreational development in the past years, received a report last week from Charles A. DeTurk, the new chief of the State Division of Beaches and Parks, in compliance with his request. It concluded that the "Division has temporarily deferred any plans for Thornton Beach."

The report was a result of a recent activity by the Daly City Council and Westlake Subdivisions Improvement Association which want to facilitate the development of the project. A committee of the association has been organized under the chairmanship of Dr. Wayne M. Stevens.

DeTurk told Francis, "The $61,900 that was appropriated in 1956 for restroom facilities, waterline and picnicking facilities in the lower area of the park, which is the only section that is suitable for development, was not spent prior to June 30, 1959, and reverted to the State Beach and Park Fund.

"The only reason why these funds were not spent as budgeted was because of the entrance road problem. Our engineers investigated alternate entrance road locations within the state's ownership and the cost of reconstructing the former entrance and determined that any suitable road solution would have far exceeded available funds."

Francis charged that Thornton Beach was acquired by gift from San Mateo County in 1955-56, consisting of 49.7 acres. It was understood at that time, the lawmaker stated, that the state would make adequate appropriations for the

TOPS IN EXAMINATION

Sergeant Promotion Stripes Awarded To Cops Terry, Galindo

Inspector Jerry Galindo, 31, and Officer Charles Terry, 34, were promoted to sergeants by the Daly City Police Department this week.

Terry was top man on the sergeant examination given 10 officers this spring. Galindo was second on the list which was revealed on May 14. Next in order of scores were James Sunderland, Frank Murray, James Bergstrom, Steve Steen, James Welsh, Richard Sims, Phillip LaBruzzo and Les Bastedo.

Bowling Tournament To Aid Sagging PAL

Fred Bertetta, Daly City businessman, has accepted chairmanship of the giant Daly City Police Athletic League Benefit Bowling Tournament to be held at Swanson's Westlake Bowl, starting this Sunday, and continuing until September 19.

With an anticipated 4000 entries competing for many prizes donated by local merchants, both novice and league bowlers will compete for the separate prize lists of the men and women groups.

The entry fee for the tourney is $2.75 which will include three games of bowling with a $1 donation to the Daly City Police Athletic League and a 25c scorekeeper fee. With all the prizes being donated it is hoped that the tournament will raise the funds necessary to assist more boys of the Daly City area in participating in the Police Athletic League program.

Opening ceremonies will be held at 1 o'clock this Sunday afternoon, August 23, at Westlake Bowl. Many celebrities will be on hand, both for the opening ceremonies and during the course of the tournament. Various groups are arranging squads for added competition. Squad times may be arranged by calling Rosemarie Owens at the Bowl.

Since more than 300 boys were denied an opportunity to participate in the baseball program this past year due to lack of funds, it is hoped that the money raised by the tournament will be sufficient to take care of all the local boys interested. Those interested in donating prizes may bring them to the Bowl or call PL 6-5777 and they will be collected.

LIGHTS GO OUT, FIRE GOES ON

Ed Larson called Pacific Gas and Electric Company Monday at 11:55 p.m. when his lights went out and then relaxed on the divan, lighting a cigarette.

He fell asleep and awoke quickly to call the fire department to his 438 Winchester street residence. Damage was moderate, according to Fire Battalion Chief Wayne Alexander. One section of the divan was burned and a two - foot square area of rug was scorched.

RECREATION ACTIVITIES

J. L. Snell Program Finishes Fourth Summer Year On Friday

The J. L. Snell program servicing the Broadmoor-Garden Village areas, concludes its fourth summer program this Friday.

Sponsored by the Jefferson Elementary School District and coordinated in many activities with the Daly City Recreation Department, J. L. Snell recreation leaders Pat Leininger, May Lou Vinella, Ed Mosconi, Bill Mendosa and John Belforte provided varied activities at the Ben Franklin and Garden Village schools.

The program is coordinated by Michael Orlich and directed by Elman Rose.

Weekly activites for the summer included arts and crafts, movies, baseball school, a preschool program for children between ages 2-5, softball leagues archery, modern, social and square dancing, wrestling, tumbling, boxing, dramatics, storytelling, music and bowling.

Special activities included a fishing trip at Lake Merced, Sports Playday, a hike and cook-out at Thornton Beach, carnivals, junior olympics, Skateland and Playland at the beach, a trip to the zoo and tournament play at the War Memorial Community Center in Daly City.

The game rooms at both Ben Franklin and Garden Village provided daily activities such as ping pong, shuffleboard, horseshoes, bowling, checkers, chess, paddle pool, carroms and many other quiet games.

Garage Burglary On San Jose Ave.

Albert Laun, 50, a maintenance man, told police someone had broken the glass on his garage door, entered and taken $32.50 worth of goods while he was away from his Daly City residence on business between 8:15 a.m. and noon Friday.

Stolen from the 3316 San Jose avenue address were an electric clock, which was hanging on the wall, and a fishing reel. Officer Charles B. Munday said the theft appeared to be the work fo juveniles.

DC TRUCKER IS FINED FOR 'NO PERMIT'

Sixteen for-hire truck operators in California paid fines totaling $2355 in justice or municipal courts throughout the state during July for violation of the Public Utilities Code or Public Utilities Commission General Orders, chiefly for operating without a state permit as the law requires.

In Northern California those fined were:

William Ray Cooper, Daly City, no permit; aid $150 fine, put on probation for one year.

Jasper C. Butcher, Shaver Lake, no permit; paid $25 fine, put on probation for one year.

Troy Johnson, Dixon, no permit; paid $25 fine.

Victor Suglio, president of San Jose Transportation Company, Inc., San Jose, failure to post sub-haul bond to assure payment of sub-haulers; paid $105 fine, placed on probation for one year.

Dean J. Turner Freight Service, St. Helena, operating without C.O.D. bond on file; paid $50 fine, put on probation for one year.

Russell P. Sampoul, Colonial Van and Storage Co., Fresno, operating without household goods carrier permit; paid $50 fine, put on probation for one year.

The board also authorized the board of supervisors to sell series A bonds totaling $363,000 and series H. bonds for $152,000 in order to keep within the five per cent range and be eligible for funds from the state.

Karl A. Alvin, 70, Hanover Resident, Is Heart Victim

Karl A. Alvin, 70, 525 Hanover street, was pronounced dead on arrival at Junipero Serra Hospital Monday evening. Alvin had a history of heart trouble and was under treatment at Kaiser Hospital in San Francisco, according to the police report.

Katherine Kauffman, a neighbor of Alvin's, 521 Hanover street, called police. Officer Jeff Wetmore said there was no sign of a pulse beat when he felt the man's arm. Fire Department men used their inhalator but the results proved negative. An M&D Ambulance transported Alvin to the hospital.

FRANCIS BLASTS STATE FAILURE TO DEVELOP THORNTON BEACH

(Continued from page 1)

full development of the beach. During 1958, the State Division budgeted the $61,900 for its development and the reversion of this amount to the State Beaches and Parks Fund is a "breach of faith," Francis stated.

It is a "repudiation of a gentlemen's understanding" between all public officials involved. It is also a bitter disappointment after all the work and effort to obtain these funds for the necessary development of this important recreational project," he added.

DeTurk explained, "The entrance road to the lower area of Thornton (Beach) was washed out during the heavy rains in December, 1955, when the storm drain from the adjacent Doelger subdivision failed. The Division of Highways replaced this storm drain during the emergency to keep from losing a section of the Coast Highway. During the early part of 1958, the lower section of the replaced storm drain again washed out. This discrepancy has not been corrected."

In answer to Francis' inquiry why the entrance road has not been reconstructed, DeTurk said, "We have been unable to fix the responsibility for the maintenance of this storm drain which was originally installed prior to the state accepting title to the property from San Mateo County. Since this storm drain is of no benefit to the Thornton Beach State Park, we do not feel that it should be our responsibility to maintain it."

"Our planners have made studies of the plans for enlarging the state's present ownership as well as providing a location for a new entrance road. This possibility exists at the up-coast end of the present state's ownership on land that is owned by the Olympic Club. After considering this and analyzing the entire acquisition program along the shoreline in San Mateo County, it was our feeling that a proper over-all State Park program would result if funds appropriated for acquisition in the county were initially allocated to the Montara, Francis-Dunes, Pomponio and Pescadero beaches. We have temporarily deferred any further acquisition plans for Thornton Beach State Park. After we have completed the acquisition of the (other beaches) and if sufficient funds remain in the San Mateo (County) beach appropriation, the acquisition problem at Thornton Beach can be considered," stated DeTurk.

Francis stated that he will not accept the state's changed position on this recreational project without a fight. He revealed that he will have a meeting with the Westlake Subdivision Improvement Association committee and other interested persons very soon to organize a campaign for the development of Thornton Beach.

shore freeway, which crosses the Bay in front of the park, was built with 3½ million cubic yards of earth dug from the property. Long-range planning for the area takes into account the possibility of supplying more fill for tidelands reclamation, expansion of the offshore freeway or a bay crossing.

Downtown San Francisco and the Embarcadero docks are less than ten minutes from the park and are less time and distance from the San Francisco International Airport. Oakland is only twenty - five minutes away.

Southern Pacific's main line passes within a few hundred feet of the park and it is within San Francisco switching limits.

During the past ten years the top of San Bruno Ridge (altitude: 1315 feet) has been developed for television and radio broadcasting purposes because of its overall coverage of Bay Area TV and radio sets. Three TV and four FM stations are located on the mountain top, as well as seven mobile communications units. Present planning by Crocker anticipated the assembling of all Bay Area television activity on San Bruno Ridge.

The Visitacion Property, which is the name by which the 4000 acres is known, is a portion of an original Spanish land grant given by Governor Juan Alvarado in 1841. In 1884 title passed to Charles Crocker and has resided with the Crocker interests since that date.

the council ratified Chief Roland Petrocchi's action late last week, citing both Terry and Galindo as having "outstanding ability."

Four of the five sergeants in the department, Henry Sundermann, Jack Walsh, David Hansen and Bruno Conci, took the examination for promotion to the new position of lieutenant. The one appointee should be named within two weeks. Veteran Sergeant Rico Benedetti, with the department since 1937, did not take the examination.

Galindo has been on the force 6½ years. He attended Jefferson High here and City College of San Francisco. Jerry lives at 244 Acton street with his wife, Barbara, and son, Jerry Galindo III. Mrs. Galindo is the city's personnel department secretary.

The new sergeant has attended a number of regional training classes given by the FBI and holds a diploma from the Institute of Applied Sciences where he majored in photography and fingerprints. He has been an inspector since the first of the year.

Remembering the date, January 13 this year, he calls his harrowing experience of being shot at by the "Cat Burglar" in Westlake as his "most shaking moments" on the force. Galindo said he shone his flashlight in the man's face and received a four-bullet reply. Luckily, the burglar was a poor marksman.

The suspect, shooting from 25 yards, had come within three inches of his target. One bullet dug its way into a tree next to Galindo's head.

Terry, 320 Citrus avenue, has been on the force 5½ years. He and his wife, Mae, have three sons, Charles Jr., 16, Dennis, 14, and Richard, 12.

Like Galindo he graduated from City College of San Francisco and majored in criminology. Previous to that he attended Balboa High School in the city has was born, San Francisco. Along with Officer Richard Phillips, Terry was the first policeman from Daly City to attend and graduate from program.

St. Mary's Recruit Training

He recalls his greatest moment on the police force as October 9, 1955, when he went into the water at Mussell Rock and saved a boy from being washed into a cave. For this achievement he received a meritorious award from the Peninsula Peace Officers Association and the city passed a resolution honoring his effort. Chief Roland Petrocchi gave him a Chief's Commendation for the life-saving fete.

Chief Petrocchi said the two new sergeants will be in charge of a patrol division of approximately eight men. They will call roll, assign men, check reports, and assist on arrests and investigations.

Sergeants are in charge of duty operations whenever the chief, Assistant Chief Roy McLaren or Captain Roy Beecher are occupied or off duty.

New Auto Rammed

Bruce T. Muller, 20, of San Francisco, told Daly City Police a green 1/2 ton truck had struck his 1959 auto and then fled the scene Saturday evening.

Muller said the truck swerved from the slow lane of traffic and did minor damage to the right side of his auto at Rice and Mission streets. He followed the truck to Wilson and Mission before stopping him.

COMPOSITE sketch, drawn by Asst. Police Chief Roy McLaren, shows appearance of suspect who Monday evening last week attempted to attack a 10-year-old girl and 20-year-old housewife in the Park Plaza-Belmar area. He is described as a white male in his middle forties, average to heavy build, about 5-8 in height, fair complexion, sandy hair which is thinning above the temples, wears glasses, and has either blue or grey eyes. Both victims state he is neat appearing, and wore a full sleeve sweater or sweater coat with vertical stripes of beige and tan, and he also wore a grey business suit with white shirt and tie. Police have questined several suspects thus far. If you see a man fitting this general description, please phone the Daly City police department immediately.

Economic Survey

BAY REGION POPULATION GAINS MORE THAN 10,000 EACH MONTH; 6 MILLION TOTAL SEEN BY '70

Population in the 13-county San Francisco Bay Region—accelerating every phase of business, industry, finance and commerce—has averaged 10,433 new residents each month since 1950, according to figures disclosed in the 1959 economic survey just issued by the research department of the San Francisco Chamber of Commerce.

Total population of the 13-county area—the counties of San Francisco, Alameda, Contra Costa, Marin, San Mateo, Solano, Napa, Santa Clara, Sonoma, Sacramento, San Joaquin, Santa Cruz and Yolo—was estimated at 4,361,800 persons as of January 1 of this year, compared to 3,266,384 in April of 1950, a nine-year increase of 33.54 per cent, the survey shows.

The Bay region poplation in 1970 is conservatively estimated at 6,000,000, according to the Chamber. Twenty-five out of every 100 residents have settled here since 1950 (both the birth rate and new settlers contribute to the total population growth figures).

The Bay region had 29.3 per cent of the state's total population of 14,892,800 with only 6.4 per cent of its land area. It also had 30.7 per cent of the state's cash net income, 37 per cent of its wholesale sales and 43.8 per cent of the state's bank debits during 1958.

San Francisco led all major U. S. cities in population gain per square mile of land area between 1940-1959, and on January 1, 1959, had 821,000 residents—45,643 more than in 1950 and 186,464 more than in 1940. On the average, about 311,000 additional persons enter the city daily, creating a market of more than a million persons (about half of those entering are persons who regularly work in the city but live outside).

The effective buying income per capita in San Francisco in 1958 of $2565 was the highest among large cities and compares to $2093 in California and $1758 in the nation. Total effective buying income in San Francisco in 1958 amounted to $2,106,153,000 or $279,000,000 more than in 1950. Civilian employment in July, 1958, in San Francisco totaled 478,200 persons compared to 448,200 in 1950.

In world trade, commodities valued at $546,272,703 were exported through the San Francisco Customs District in 1958 compared to $270,839,943 in 1950. Imports totaled $444,761,648 in 1958 compared to $304,777,776 in 1950. Total of exports and imports through the customs district was $991,034,352 in 1958 or 1.7 times the 1950 level and 4.7 times the 1940 total, a trend which has advanced steadily over these years. Over 250 air and marine lines maintain offices or agencies in San Francisco. Fifty-six nations maintain consular, commercial travel and information representatives in the San Francisco area.

The Federal Reserve Bank of San Francisco, headquarters of the Twelfth Federal Reserve District, experienced the second largest volume of business of all districts in the system. In 1957, member banks in the district reported 10,142 officers and 61,164 employees and accounted for 15 per cent of the total assets, 22 per cent of the time deposits—highest of all districts—16 per cent of taxes on net income and 14 per cent of net profits of all member banks in the Federal Reserve System. San Francisco banks, which include the world's largest and six of the nation's 50 largest commercial banks, reported total deposits of $15.8 billion at the end of 1958, an increase of $1,200,000,000 over a year earlier and $6.5 billion above 1950.

San Francisco, the insurance center of the West, had about 673 insurance carriers, agents and brokers and 21,500 persons engaged in the field in 1958, with an annual payroll of about $103,000,000.

Northern California, of which San Francisco is the core city, contains 70 per cent of the state's farms, 73 per cent of its farm acreage, comprises five of the richest agricultural valleys of California, and accounted for 62 per cent of the state's farm product sold in 1957.

The Central Valley Project, which is a long-range multi-purpose water conservation program in the great valleys of Sacramento and San Joaquin rivers, will provide additional water to several million acres of rich fertile land, thus providing opportunities for extensive new agriculture and economic developments in the immediate trading area of San Francisco. The total construction program as of December 31, 1958, amounted to $589,302,000, including Folsom Dam, $61,822,000 transfer from Corps of Engineers. This is 68 per cent of the present estimated total cost of $862,783,000 authorized.

The Bay Region is the hub of the West's mining industry with a production in recent years ranging between $3 and $ billion annually and accounted for more than one quarter of the nation's output. California's mineral production accounted for 38 per cent of the Western total and over nine per cent of the nation's total, ranking it second among the states. During 1958 the San Francisco Mining Exchange transactions totaled 14,064,468 shares with a market value of $2,015,376.

In insured wages in the manufacturing industries in San Francisco during 1958 amounted to about $388,000,000, or about $128,000,000 above the 1950 level. Manufacturing in the Bay Region made brisk progress during 1958. New industries and expansions included 1003 projects with outlays of $340,195,341 — second largest amount in a decade. Insured employment in manufacturing industries in the Bay region in 1958 totaled 283,250 based on reports from 5,976 manufacturing outlets: the estimated annual payroll amounted to $1.5 billions.

The western market is expanding rapidly. Between 1950-1959 the eleven western states added about 6.5 million residents with current estimated annual buyig income of about $12.5 billion; between January, 1959 and 1970 an additional 8.6 million people would lift the annual buying income by another $16.6 billion, at current per capita, thus creating opportunities for many new developments, the survey revealed.

About 28 per cent of U. S. industry's new market for consumer goods during the next few years will be within the Western States based on population growth.

Since 1950, the San Francisco Bay Area has had a 32 per cent increase in population, the report summed up. With this has come a 65.2 per cent increase in wages and salaries, a 53.9 per cent increase in retail trade, a 65.2 per cent increase in bank debits, and a 39.1 per cent increase in wholesale trade.

The nine bay county residents' net buying income for 1958 amounted to 7.9 billion dollars or 67.6 per cent above 1950. Retail trade amounted to 4.5 bililon dollars or 53.9 per cent over 1950. Wholesale trade totaled about $7.7 billion, up 39.1 per cent. Financial transactions totaled 64.9 billion dollars, or 65.2 per cent above 1950. Wages and salaries totaled 5.8 billion dollars or 65.2 per cent above 1950. New industries and expansions in the Bay region during 1958 totaled 1003 projects and amounted to $340 million in outlays bringing the 1949-1958 ten-year total to $2 billion.

The whole balanced economy is expanding in an orderly manner. Every indication is that this trend will continue.

DC's Ron Nagy Taking Basic At Fort Ord

Ronald S. Nagy, 17, son of Adolph and Marion Nagy, 229 Wilshire avenue, Daly City, is undergoing basic infantry training at Ft. Ord, California.

'Best Combat Infantry' Trophy Won By DC National Guardsmen

Major General Clarence H. Pease presented Company D of Daly City's National Guard unit with a trophy which was given because recently they were judged the best infantry combat outfit.

General Pease, commander of the 49th Infantry Division, turned the trophy over to the Squad Leaders Leroy Storm and Dennis Messier. Storm and Messier were both declared "expert" non-commissioned troop commanders by Pease, who congratulated them on the manner in which they handled their squads during exercises at Camp Roberts.

The gold-plated trophy is presented annually to the National Guard unit that shows the most proficiency in infantry combat training during the regular summer maneuvers.

Captain John P. Creighton Jr.,, commanding officer of D Company, expressed his appreciation to all the men in his command for their part in the exercises. The presentation was held at the Daly City Armory with 80 men and officers of the company present.

CRUSADE DRIVE LEADERS HOLD BRIEFING HERE

A review of plans and briefing session was conducted here last Thursday by Mrs. Grace Briggs of the Crusade staff of San Mateo County for the United Crusade's residential fall drive for funds.

The meeting was attended by Mrs. Charles Ecker, district chairman; Mrs. William Galos, community vice-chairman; Mrs. David Friedenberg, Westlake co-chairman; Mrs. Angelo Liberato, chairman for Area I; Mrs. Albert J. Marty, vice-chairman for the north county; Mrs. Harry Ojakian, publicist for the residential district, and Mrs. Robert N. Whitehead, residential north county chairman from South San Francisco.

Some of the chairmen for the district were absent because of vacations. However, Mrs. Ecker is in touch with all of them, and all pertinent material will be distributed when the members have returned.

One of the goals set by the residential drive is to contact every single home in the district.

A pre-campaign conference will be held early in September.

Chiropractic Society Schedules Picnic

The San Mateo County Chiropractic Society has scheduled a picnic at Searsville Lake Park on Sunday, August 30, according to Dr. James Worthington, president of the society.

This picnic is a traditional get-together for the group and aside from being an affair of fun and merriment for the doctors and their families the get-together has another purpose, that is to raise money for a chiropractic organization. This year the proceeds will be donated to the Polio Foundation of California.

Two DC Girls Semi-Finalists For Golf Queen

Candidates for queen of the Golden Gate Championship Open Golf Tourney will fly to Reno next Monday via Western Airlines for a series of personal appearances on behalf of the $45,000 tournament scheduled for Harding Park September 21-27.

The contestants, who are the finalists from the original list of 37 entrants, are currently engaged in a tournament ticket selling campaign with the victors winning trips to Hawaii.

Included among the 12 semi-finalists are two Daly City girls, Lana Green, 1009 South Mayfair avenue, and Jaquie Broughton, 19 Northgate avenue.

The queen and her court will reign over the Harding Park event which is expected to lure most of the top pros west for the largest purse on the PGA winter tour.

The queen candidates will stay at the Holiday Hotel while in Reno, making television and radio appearances.

ONE MONTH AWAY

Award-Winning DC Garden Club Speeds Plans For Annual Show

Daly City's prize-winning Garden Club members are working overtime these days in preparation for their sixth annual Flower Show, scheduled for Sunday, September 13, at War Memorial Community Center, from 1 to 9 p.m.

The big spectacle, as usual, is free to the public and is well worth the time.

While the local clubbers are all on committees for the big event of the year, several members plan to show exhibits at the San Francisco Flower Show, this Friday and Saturday at Civic Center.

Mr. and Mrs. Hyman Rosenberg, DC Club members and former sweepstakes winners in the SF show, once again will participate there in the arrangements division. Mrs. Edmund Kohlhauf of DC will enter exhibits in the professional section of the SF show. Mrs. Clair M. Yohn, Mrs. Harry L. Colin, Mrs. Joseph P. Schultz and Mrs. Thomas Parish will enter arrangements in the amateur section.

The Garden Club show here in September means members are eyeing the coveted blue ribbon award given to the best standard flower show for a garden club by the state organization of garden clubs. This award was first given last year and the Daly City Garden Club won not only this award, but the purple ribbon award given by the National Council of Garden Clubs. The local Club cannot compete for this latter award again this year, as it will have to wait a year to be eligible.

Mrs. Ward McLeod, 201 Garden Lane, Colma, president of the DC Garden Club, announces that her gardens will be open to members of the Daly City Garden Club and their friends between the hours of 6 to 9 on Sunday. A highlight of these gardens is the greenhouse of unusual cacti and succulents which will be on display.

Dennis, Pacelli, Mrs. Brawley Aid Demo Drive

Mayor Edward J. Dennis, Councilman Frank Pacelli and Mrs. Albert Brawley will serve as co-chairmen of the "Dollars for Democrats drive" in Daly City, set for Ooctober 1, 2, and 3.

Their appointments to the county-wide committee for the annual Democratic fund-raising campaign were announced by Dr. John Kaster, San Mateo county "Dollars-Drive" chairman, who also heads the county Democratic precinct organization.

Fourteen town and community areas, as well as Assembly District and special groups chairmen have been named by Kaster to organize party workers throughout San Mateo County into teams of doorbellringers.

Daivd J. Friedenberg, local Democratic Club president, is 25th Assembly district chairman.

Word has been received from county drive headquarters in San Mateo that this year a prize will be awarded the top city or community area on the basis of total funds collected and that the State Dollar Drive headquarters will award prizes to individual doorbellringers contacting the greatest number of donors.

San Mateo County tied with Santa Clara County last year as top county in its class, thus winning the right to retain two-thirds of its collections at the county level.

On April 22, 1921, the first flight from the U. S. to Haiti was made by U. S. Marine Corps Lieutenant Colonel T. C. Turner.

The Town Record

By ROY HURLBERT

September is the morn and month for many things, both real and fancied.

The kids trot back to class and the politicos on the level DC, county and state levels crank up their '60 campaigns with the seriousness of Joe Louis stalking Max Schmeling.

The council race will find incumbents Joe Verducci and Frank Pacelli battling a wide-open field of unknowns and past performers.

In order to win a chair at city hall these days, a candidate has to have support on both sides of Junipero Serra. And throw in St. Francis Heights for good measure.

Wouldn't be surprised to see a few "team" candidates come spring.

* * *

The DC council was surprised to learn last week in a South San Francisco newspaper that DC had appointed one of its councilmen to serve on the Leo Ryan campaign-hospital committee.

The story was incorrect. DC took no such action.

* * *

The Thornton Beach park development, or lack of it, is on page one again, as Assemblyman Lou Francis is sore 'cause the state let some dough assigned for the DC project go elsewhere.

Drainage discrepancies on old Coast Highway made access to the ideal beach spot a prohibitive cost factor, and by the time DC officials fixed the responsibility of who was liable for repairs, the state deadline on releasing the Thornton funds was long gone.

Another sample of the failure of someone at city hall to go full speed on a public-backed project.

* * *

Pacifica's dedicated and problem-loaded city council are tackling builder Henry Doelger head on over the developer's "plans" for Pacifica.

Doelger wants some extra special lot-size concessions for his Westmont project development, a Pacifica-Daly City boundary exchange, and as much as possible on a silver platter. What the DC council wants wasn't mentioned.

The Pacifica city fathers, however, feel they as a group will specify the terms and run their own neighborhood.

Doelger will have to work overtime to get any special considerations down yonder. He's in Alaska now on his yacht.

* * *

Ben and Mike Sharpe, the 'rassling brothers, are throwing their combined weight (500 pounds) into Copperwood Lodge here.

The big boys are buying out the present owner, Sil Stagnaro, a former South City police officer and a good one.

Copperwood, it must be said, won't have to hire any bouncers. Ben and Mike will preserve the peace, as did the SSF gendarme.

* * *

Paul Tapia, the Jeff High pass whiz who fired 22 scoring passes two years ago, intended to enroll at San Jose State but couldn't make the grade. He'll probably be at College of San Mateo this fall making up credits. Word is that Paul, bothered by cartilege-torn knees, might have to pass up football and concentrate on his outstanding talent — that of a budding commercial artist. Paul has deft fingers as well as a slingshot arm.

* * *

Tapia's favorite end target at Jeff, Pete Garcia, no doubt will be a starter in the East-West prep game this month at Kezar.

All-Peninsula honored two years in a row, Pete could be a great college player — if he gets serious and hits the books hard enough to qualify for entrance.

Letters To The Editor

Hillside Blvd. Couples Praise Summer Program

Dear Mr. Bradshaw:

We wish to publicly express our appreciation and gratitude to the Recreation Department of Daly City for the wonderful "summer vacation" program for the children of Daly City.

We were fortunate enough to have our children attend these summer sessions and from their unending praise of the directors and of the program, we realize that even their summer vacation was most educational, and recreational.

Our personal thanks to the staff of the War Memorial Center for their patience, and their enthusiasm, and their knowledge of child supervision.

Wishing the Recreation Department success for their future programs.

Yours sincerely,

ASSEMBLYMAN PRAISES PAPER FOR COVERAGE

Dear Mr Bradshaw:

Your splendid coverage of my legislative program and activities in your newspaper, "The Daly City Record and Westlake Times," is sincerely appreciated. This was particularly true during the recently adjourned general session of the State Legislature.

The fair and excellent news coverage of governmental affairs and events is indeed an important public service. There is no better guarantee for good government than a well-informed and vigilant public.

Please be assured that I shall always try my best to promote a good legislative program for the people and earnestly endeavor to discharge my duties in an able and conscientious manner for the interests and welfare of the people in my district and state.

I am enclosing my check in the sum of $4 for next year's subscription to your nespaper which I wish to be delivered to my home address, 129 Castillian way, San Mateo.

Very truly yours,
Louis Francis
Assemblyman
25th District

AMONG these Bay Area reservists who graduated Saturdy from U. S. Army Reserve Associate Command and General Staff Officer Course at Fort Leavenworth, Kansas, was Major Robert J. Weiden (center, front row), of 33 Westdale avenue, Daly City. Others pictured are, front row, Lt. Col. William H. Shipley of Walnut Creek and Lt. Col. John J. Sackas of San Francisco, and rear row, left to right: Major Clifford W. Young, Mill Valley; Col. Paul E. Stephens, Burlingame; Lt. Col. Robert O. Swendsen, Danville, and Lt. Col. Robert P. Utter, San Francisco. The men attended a two-week active duty training period which completed their participation in a five-year U. S. Army Reserve Associate Command and General Staff Officer Course.

SHOW IN WOODSIDE

'Tour Fashions For Europe' Is Theme Of Catholic Daughters

"Arrivederci Roma" lends a continental atmosphere for the fashion show to be sponsored by the Peninsula Courts of the Catholic Daughters of America on Tuesday evening, September 1, at the William R. Hickey estate, 590 Albion way, Woodside.

"Tour Fashions for Europe," the theme of the affair, will be shown by H. Liebes & Co., Hillsdale with the popular Paul Speegle of the News-Call Bulletin as commentator. Guests will gather at 8 p.m. for a champagne hour to precede the event in the idyllic wooded and rustic grounds. The theme of the show also suggests the California CDA Tour of Europe planned for July of 1960.

Co-chairmen for the fashion show are Mrs. Louis F. Labernik, Court Our Lady of Mt. Carmel, Redwood City, and Mrs. Charles Maiorini, Court Junipero Serra, San Mateo. Mrs. Charles Parker, 2525 Gerald way, San Jose, Grand Regent of Ct. San Jose will head the committee for tickets and reservations. Members of the San Jose court assisting include the Mesdames Phillip Patnude, Stanley Egenie Leonard Shilling, Robert Pfeffer, Albert Kleeman, Peter Schulte, Eugene De Marco, Roy Neil, O. Verne Lewis, Gordon Reid, Mrs. Aileen Crabb, Henrietta Wehrli, Veronica Heimbuck, Diane Meyers, Louise Cain, Grace Back, and the Misses Ruth McCormick, Mary Hoagland, Mary Redden, Anna Marie Datillo and Nadine Douglass.

Other chairmen named are the Mesdames Leonard Zipp, Grand Regent of Ct. Infant of Prague, South San Francisco, refreshments; Sanford P. Stucke, Grand Regent of Ct. Our Lady of Angels, Burlingame, hostesses; Stephen L. Vistica, fashions; Edward J. Mellor, awards; George B. Rankine, sponsors; Laurence Costa, Grand Regent of Court Holy Rosary, Menlo Park, programs. Participating in final arrangements are the Mesdames Charles E. Mitchell, Burlingame; Ellis McShan, John Hesphy, Nicholas Marcellie, and Jim Silvester.

Mrs. Michael Segal of H. Liebes & Co. will serve as coordinator for the society debutantes and matrons who will model the fashions.

Mrs. Theresa J. Paulian, past Grand Regent of Court Golden Gate, San Francisco and General Chairman of Ways and Means for the Seminarian Burse presented biennially to His Excellency Archbishop John J. Mitty by the Catholic Daughters of America in this Archdiocese, announces the affair is the first of four fundraising events to be held before May, 1960.

Mrs. Edwin A. Clancy, State Regent of the CDA, will present the check ot His Excellency to apply towards the new Chapel at St. Joseph's Seminary in Mountain View.

U. S. Marines, mounted on camels, escorted an American diplomatic mission into Abyssinia in 1903.

Santa Clara Appoints New Dean Of Law

Leo Albert Huard, former professor of law at Georgetown University Law Center, Washington, D. C., today was appointed dean of the college of law at University of Santa Clara.

The announcement was made by the university's Rev. Alexis I. Mei, S. J., academic vice president. Huard replaces Warren C. McKenney who resigned last June.

Huard, 42, will assume his new duties at Santa Clara September 1, prior to the beginning of the Fall semester. He comes to the university highly recommended and was selected over numerous top-flight applicants.

He is a graduate of St. Anselm's College, Manchester, N. H., where he received his A. B. degree in chemistry, magna cum laude, in 1939. From St. Anselm's he went on to graduate study at the University of New Hampshire from where he was drafted by the E. I. Dupont de Nemours company into their munitions program during the war. Supervisor Chess Lauds 4-H Clubbers

Five hundred guests attended the annual 4-H awards dinner held at the San Mateo Elks Club, with County Supervisor T. Louis Chess as principle speaker.

Chess spoke on the work of the 4-H clubs, how much they contribute to the county Fair and how much their exhibits contribute towards creating a true county Fair atmosphere.

Chess went on to say how youth programs such as the 4-H and Boy Scouts can combat and help prevent juvenile delinquency. He extended the sincere appreciation of the board of supervisors to the 90 leaders of the 550 4-H members for the time and leadership they give to the many youngsters.

Sharon Murphy Of Westlake Weds SF Man

Sharon F. Murphy, daughter of Mr. and Mrs. James E. Murphy, 165 Glenwood avenue, Westlake, became of bride of Robert C. Hall, San Francisco, in a nuptial Mass ceremony last month at Our Lady of Mercy Church. The Rev. Father Richard Power officiated.

The best man was James Hall, brother of the groom. Their mother, Mrs. Catherine Hall, resides in San Francisco. Maid of honor was Joanna McCarthy, cousin of the bride.

Bridesmaids were Andrea Den Besten, Marlene Hanlon, Madeline Mulholland and Mary Lore Swall. The ushers were Chris Conneally, Walter Leonard, John Ortwig and Gene Walker.

After a honeymoon trip to Lake Tahoe, the couple returned to establish residence in San Francisco.

School-Bound Vets Should Apply Early

Veterans of the Korean Conflict who plan to apply for educational assistance this fall from the Veterans Administration, or under the state "Cal-Vet" school aid program if they have used up their federal rights, should make application as soon as possible.

This is the advice of San Mato County Veterans' Service Officer Floyd D. Granger, who said today that by applying now, veterans will make it easier for his office and those of the VA and Department of Veterans Affairs in handling satisfactorily the thousands of applications expected by the opening of the fall term.

Veterans should make arrangements themselves for entering the school or college of their choice before applying for GI assistance, and applications must be accompanied by a photostat or certified copy of discharge or separation paper.

A recent act of the California Legislature makes it possible for veterans to enroll for certain graduate or professional college courses at approved institutions outside the United States.

For dependents the Cal-Vet educational program has also been changed to allow assistance to children of totally disabled war veterans at the age of 14 or entry into the ninth grade, instead of the former minimum age of 16. No change was made in the high school allowance of $20 per month, but subsistence above the high school level has been increased to $50 for each month of satisfactory attendance.

However, those who can receive duplicate benefits from any other government source, such as the federal War Orphans Educational Assistance program, will no longer be eligible for state assistance.

Any student in the veterans dependents program who attends a state college or university will be exempt from tuition and fees payment, including the child of a veteran who has a service-connected disability and an annual income—exclusive of compensation—of less than $3000.

CT. ST. MARY DRAFTS PLANS FOR NEW TERM

By Eleanore Mumford

Combining business with pleasure in preparation for the resumption of meetings effective August 20 for the ensuing term of Court St. Mary, No. 1155, Catholic Daughters of America, Mrs. De Witt Brunson, Grand Regent, held a meeting of the various officers and chairmen at her new home on Princeton drive in San Bruno the evening of August 6. With 18 ladies present, a tentative program for the term was drawn up.

Mrs. Brunson announced that the Peninsula Courts of the Catholic Daughters of America are holding a very special Fashion Show to gain proceeds for the San Francisco Archdiocesan Seminarian Burse on Tuesday evening, September 1, at the Beautiful Idealistic Spot on the William R. Hickey Estate, 590 Albion way, Woodside. The evening will begin with a Champagne Hour at 8 o'clock. Theme of the show will be "Tour Fashions of Europe," with fashions shown by the H. Liebes and Company of Hillsdale. Admission charge is $2.50. Anyone interested in attending this spectacular fashion show may gain information by contacting Ct. St. Marys Grand Regent, Mrs. Brunson, JU 3-3296, who is handling the admission particulars in this area.

Mrs. D. M. Labernik of Ct. Our Lady of Mt. Carmel, Redwood City, and Mrs. T. M. Maiorini of Ct. Junipero Serra, San Mateo, are the co-chairmen of this affair. Mrs. Charles Parker of Ct. San Jose in San Jose is the general ticket chairman.

This fashion show project is the first of four separate affairs to take place between now and next spring to gain funds for the "San Francisco Archdiocesan Seminarian Burse," of which Mrs. Teresa J. Paulian of Ct. Golden Gate, San Francisco, is general chairman.

It will be used as a lasting tribute from the Catholic Daughters of America to the Seminarians by being applied toward the new chapel at St. Joseph Seminary in Mountain View.

At the close of a most enjoyable evening, Mrs. Elio Ciardella and Mrs. Edward Pribula assisted the hostess with serving refreshments from a gaily appointed table.

DC Women's Civic Club Tells Plans

The Women's Civic Club of Daly City met Wednesday last week at the home of Mrs. Celia Gardella, 419 Irvington street.

Lunch was followed by games.

A theater party is planned for September.

Big Restaurant Convention Set

San Francisco will host 30,000 restaurateurs August 31-September 3 during the first Western National Restaurant Show and Convention.

The exposition, said to be the largest ever presented on the the West Coast, will occupy Brooks Hall and the Civic Auditorium with more than 350 manufacturers and suppliers exhibiting their wares.

Bob Grison, general chairman of the event, said "We expect the biggest food and allied industries show and convention ever held in the West."

USF Awarded $8778 Grant For Research

The University of San Francisco has been awarded an $8778 grant by the Federal government to be used toward equipping a health research facility. Formal approval of the grant was announced today by the Surgeon General of the United States for the Department of Health, Education and Welfare.

During March of this year, the Universtiy received a grant of $91,222 from the government to be used for construction of a health research facility.

The latest grant will be used to help equip a new College of Science building which was included in a long-range development program announced by USF in 1947. The College of Science now shares quarters in Campion Hall with the Colleges of Liberal Arts and Business Administration.

No date has been set for construction of the new building.

Models Galore For Catholic Auxiliary Show

Favorite peninsula volunteer models have enlisted for the Catholic Social Service Auxiliary of San Mateo County champagne hour and fashion show at the Ralph K. Davies estate in Woodside, Thursday, September 10.

Mrs. John E. White, Jr., San Mateo, models chairman, has acceptances from the following to show cruise and winter fashions:

Mesdames Frank Alioto Jr., Hillsdale; John F. Barrett Jr. and C. M. Buckley, San Mateo; Thomas R. Dwyer, San Francisco; Dennis Hession, Woodside; William Lang Jr., Atherton; John Lynch, San Mateo; William Moore, Atherton; Scott Morrison and Robert Tuck, Hillsborough; Miss Janet King, San Francisco, and Micheline of Paris, recently of the Dior and Fath salons.

Mrs. Ralph K. Davies, honorary chairman, is arranging special parking and transportation facilities at her place on Lakeview drive, off Woodside road. Mary Claire Hickey of Woodside will be commentator.

Father Thomas Regan, social service director, explains that the United Crusade agency needs extra funds from the fashion show to meet costs of a rapidly mounting caseload.

In the planned invasion of Japan, all six U. S. Marine Corps Divisions were earmarked for the assault on the Japanese Homeland.

Folk Dancers Set Festival, SF Institute

Teenagers take over at Telegraph Hill Neighborhood House, 555 Chestnut street, San Francisco, this Sunday. They will offer the public a special folk dance Institute and a Folk and Square Dance Festival.

Tutors at the Institute will be Victor Salazar, winner of a Folk Dance Federation of California Scholarship, and Barbara Cohen, John Pappas, and Nancy McGee, awarded scholarships by the San Francisco Council of Folk Dance Groups. Each will teach one of the dances learned earlier in the month at College of Pacific's Folk Dance Camp in Stockton.

Registration for the Institute will be from 12:30 to 1 p.m. and the 50-cent fee added to the council's scholarship fund. Instruction will last from 1 to 3 p.m.

Immediately following the Institute (and at the same address), teenage dance clubs, the International Dancers of Mission High and the Valley Twirlers will host a free folk and square dance festival sponsored by the San Francisco Council of Folk Dance Groups.

The mothers of these teenagers plan to serve refreshments between 6 and 7 p.m.

The dancing and watching from 3 to 6 and 7 to 9 p.m. is free and everyone is welcome. Spectators are also welcome at the Institute, but the price for watching is the same as for learning—50 cents.

Petaluma Again To Host Annual Scottish Games

Colorful Scottish pageantry was in the making again this week, as entry forms were mailed out for the ninety-fourth annual Scottish Gathering and Games, scheduled for Sunday, September 6, at Petaluma Fairgrounds.

Drawing entrants and spectators from San Diego to Vancouver, the Games are sponsored by the Caledonian Club of San Francisco.

Featuring bagpipe bands, Highland dancing, piping, and drumming competition, the Games also present track and field events. These include the traditional caber toss, which calls for throwing a 125 or 150-pound pole end over end, with the longest toss winning.

A special event this year will be short soccer games between five-man teams, featuring stars from Scottish groups from all parts of the Pacific Coast.

First staged in 1865, the Labor Day weekend event has a rule that all contestants except the track competitors must wear Highland costume. That and the Scottish garb worn by many spectators makes the sponsoring Caledonian Club claim it as one of the most colorful pagenants held in California.

Picnic facilities, meals, and refreshments are available at the Petaluma Fairgrounds.

Proceeds of the Scottish Gathering and Games go to charity.

SHARP PARK IMPROVEMENT CLUB TO MEET

The third meeting of the revived Sharp Park Improvement Association will be held Tuesday, August 25, at 8 p.m. in the home of Leah Sharp, 919 Paseito Terrace. Property owners and residents of the Sharp Park area of Pacifica are invited to attend.

Fred Hamann, 146 Hilton Lane, and Mrs. Diane Smith, 667 Brighton Terrace, were elected as temporary chairman and vice-chairman of the organization at the August 11 gathering.

Fuchsia Devotees Gather At Kusber Home For Display

Fuchsia devotees Mr. and Mrs. Joseph Kusber of 60 Werner Ave., drew a crowd of 300 visitors from the Peninsula and this area, to their garden open house Sunday.

The gorgeous array of profusely blooming potted plants were complimented with a background of a variety of ferns.

Though the Kusbers' 30-foot lath house is composed predominantly of hundreds of fuchsias, many other annuals and perennials, such as "mums", clivias, begonias, and petunias were found blooming on the patio.

In the lanai, guests gathered about a cheery fire to talk fuchsia and enjoy a cup of punch.

Mrs. Tom Oliver of Redwood City, and Mrs. Vincy Schreckengoste of San Bruno, both members of the El Camino Fuchsia Society, assisted Dora Kusber in hostess duties.

Mrs. Elsie Muellar, president of the San Francisco Fuchsia Society, and a guest, displayed a graceful corsage made of fuchsias.

Mrs. Chas. Lawson of San Francisco, and also a member of the Fuchsia Society, had several beautiful floral arrangements.

The Kusbers' fuchsia garden was one of 7 fuchsia garden tours for the El Camino Fuchsia Society. The Jefferson High School PTA was represented by several members. Dora Kusber is president of the PTA.

Jr. Red Cross Training For High Schoolers

The accent was on the positive this week for Bay Area delegates to the ninth Junior Red Cross leadership training center, held August 10-17 at the Palo Alto Military Academy under the sponsorship of Golden Gate chapter.

All phases of positive leadership, with the emphasis on service and friendship, were explored and practiced during the week-long conference.

International Day had something in it for everyone, with teams from the five chapters represented putting themselves bodily into the shoes of Juniors around the world.

Friendship albums containing art work, letters, photographs and tapes of classroom songs made by the students to acquaint fellow Juniors around the world with their ways of living and learning were prepared and exhibited.

As an example of practical service, the groups made up "high school chests" for schools abroad, with teaching material to serve a class of students for one year in each chest. The cost of the chest is contributed by the boys and girls as their share in international paths to peace.

The 54 young people who attended, including Westmoor High's Karen Brehm, the conclave will return to their respective schools this fall with enthusiasm and know-how for the Junior Red Cross program.

Represented were Golden Gate, Berkley, Carquinez, West Contra Costa and Palo Alto chapters. Mrs. William Holcombe, assistant director of Junior Red Cross for Golden Gate charter, was director of the training center.

U. S. Marines have made more than 200 landings on foreign shores in every part of the world during their 181 years of service.

Catholic Social Service Ladies Planning Woodside Fashion Show

Daly City phone bells are sounding invitations to the Catholic Social Service Auxiliary's fashion show and champagne hour at the Ralph K. Davies estate in Woodside, THursday, September 10, at 1 p.m.

Among the Auxiliary's local members who are supporting the ticket drive are Mesdames Thomas Callan, Michael Griffin, Frank Lawson, Edward Molkenbuhr Jr., Edward O'Donnell, Frank Pacelli, Joseph Powers and Frank Vorsatz, and Misses Lorraine and Miriam Carberry.

Peter Markovich and Tony Ricci, local directors of San Mateo County Catholic Social Service, said that although the organization is an agency of the United Crusade, its caseload is mounting so rapidly due to population growth that extra funds are urgently needed. Proceeds of the fashion show, it is hoped, will make up the deficit. The organization extends aid to all creeds, colors and races.

Cruise and winter fashions from the City of Paris collection will be shown by outstanding Peninsula volunteer models. Mrs. Ralph K. Davies, honorary chairman, is arranging special parking and transportation facilities at her place on Lakeview drive, off Woodside road.

Mrs. Acton O'Donnel is general chairman, assisted by Mrs. Edward Trucco. Tickets are being handled by Mrs. John J. Murray Jr., FI 5-2251. Tickets will be available at the Davies place the day of the show.

Coastal Deer Hunting Good; 6710 So Far

Despite unusually high temperatures which make the idea of hunting and hiking unenticing to most nimrods, the coastal deer season kill is holding its own and is even slightly up from last year, Fish and Game Director William E. Warne noted today.

At the end of the second week of the coastal deer season, a total of 6710 animals had been taken, compared to 6623 last year.

Mendocino was again the county of the highest kill, with 982 deer taken so far.

NOTICE INVITING SEALED BIDS

Pursuant to Resolution No. 32 adopted by the City Council of the Town of Colma on the 12th day of August, 1959, authorizing work to be done and directing this notice to be made, said Council hereby invites sealed proposals or bids for the improvement of Mission Road under MCS Project No. 4.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades, and at the elevations as shown and delineated upon the plans and specifications made therefor and on file in the office of the City Clerk of said Town and to which reference is hereby expressly made for more particular description of the work to be done and for further particulars.

Payments will be made in cash by said Town to the Contractor on itemized estimates duly certified and approved by the City Engineer and said City Council, based on labor and materials incorporated into said work during the preceding month by the Contractor, but said Town shall retain ten per cent (10%) of the amount of each such estimates, and the accumulation of such said amounts so retained from said progressive payments will be paid to said Contractor thirty-five (35) days after the completion and acceptance of said work by said City Engineer and said City Council.

Notice is hereby given that this Council incorporated into said Resolution No. 32 the determination of the general prevailing rate of per diem rate to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for a full and detailed specification thereof.

All proposals or bids shall be accompanied by a certified check payable to the order of City Clerk of said Town, amounting to ten per cent (10%) of the bid or by bond in said amount and payable to said Town, signed by the bidder and two sureties who shall testify before any officer competent to administer an oath in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said Town in case the bidder depositing the same does not, within the fifteen days after written notice that the contract has been awarded to him, enter into a contract with the Town, the faithful performance of which shall be secured by an undertaking in the amount of fifty per cent (50%) of the amount so bid, with surety satisfactory to said Council, and which shall be accompanied by a labor and material bond in a sum equal to fifty per cent (50%) of the amount of said bid, under the provisions of Title one, Division five, Chapter three, of the Government Code.

Copies of plans and specifications and bid sheets may be obtained from the office of Edwin H. Smith, City Engineer, 1914 Spring Street, Redwood City, California.

A deposit of ten dollars ($10.00) per set of plans and specifications is required as a guarantee that they will be returned to him in good condition not later than forty eight hours after bids have been publicly opened.

Said sealed proposals shall be delivered to the City Clerk of said Town on or before 7:30 o'clock P.M. of the 10th day of September, 1959, in the Council Chambers, City Hall, Colma, California, said time being at least ten days from the time of the first publication of this notice. Bids will be publicly opened, examined and declared on said day at the hour of 8:00 o'clock P.M. Award of contract will thereafter be awarded by the City Council to the lowest responsible bidder, subject, however to the right of said City Council to reject any and all bids, which right is hereby reserved.

DC LIONESSES GET POINTERS ON KITCHENS

"Just as in industry, kitchens should be planned so that you have a smooth production line," Mrs. Helen Birchak, consultant for the San Mateo County Heart Association, told the Daly City - Colma Lionesses Club last Thursday.

"Where possible, planning in advance for both the regular and periodic jobs makes the best possible use of our time and energy, just as in our husband's business," she said.

Meeting at Westlake Bowl, the Lionesses heard Mrs. Birchak stress comfortable work heights, handy storage space, and adequate light and air.

"Counters are 36 inches from the floor," said Mrs. Birchak, "designed for the average height woman. Accordingly, the shorter person should actually have a one or two inch platform to compensate, but too often, we just don't do a thing about such an obvious adjustment."

A work triangle is the best basic plan, according to Mrs. Birchak. "Your sink, refrigerator and range, with adjacent work counters and storage spaces, should be placed in good relationship to each other," she said. "This results when an imaginary line connecting the three units forms a triangle whose sides total not less than 15 feet, and not over 22 feet."

With respect to shelves, Mrs. Birchak suggested that shelf depths be planned for "one row' storage, and that comparable articles be stacked together. Wall panels, peg-board and special hanging devices should also be used, she advised.

"Strangely enought, reduce or eliminate the items you just never need," she said. "You'd be happily surprised how many kitchen burdens will be lightened, just from the elimination of unnecessary clutter."

'Hike Of Month' Destination Told

The Boy Scout "Hike of the Month," starting at 9 a.m. August 22 (this Saturday) will take the boys from Redondo Beach road north along the beach to Francis beach, which is in Half Moon Bay, and proceed to Dunes beach.

Half Moon Bay, originally called Spanishtown, was settled in 1848 by the Valquez and Miramontes families. Spanish-town was very influential politically in San Mateo County during that time. At present, it is the center of a larger artichoke growing area.

The hike is 4 miles long and will take approximately 2½ hours, according to John Stueck, Council Hikemaster.

'LUTHERAN HOUR' NOW ON KNBC SUNDAY EVENING

"The Lutheran Hour," in its program of expansion, will now be heard every Sunday over the more powerful radio station KNBC at 6:30 p.m.

This world-wide missionary program is now broadcasted on over 1250 stations, in 60 different countries and in 65 different languages, at a cost each Sunday of $28,000. It is the number one project of the Lutheran Laymen's League, according to Elmer Ohlendorf, 95 San Joaquin avenue, Daly City.

On August 25, 1843, the USS Missouri put into Gibraltar, the first steam-driven Navy ship to cross the Atlantic.

Eleanor Raymond North County YWCA Chairman

The board of directors of the San Francisco Young Women's Christian Association has announced the appointment of Mrs. Edward Raymond, 104 Garden Lane, Colma, as chairman of the North San Mateo County Unit YWCA Committee. She was recently elected a member of the board.

Mrs. Raymond has been an outstanding volunteer for the local YWCA for the past 3 years. She has served as a member of the committee, as coordinator of office volunteers, and as president of a Y-Wives group.

Eleanor Raymond and her husband, Edward, have resided at their Colma address the past 13 years. They have two children, Edward Jr., age 13, and Michelle, 7. The Raymonds are active members of the Broadmoor Presbyterian Church where Eleanor teaches Sunday School.

Mrs. Raymond is a charter member of the Garden Village School PTA and a member of the Benjamin Franklin School PTA.

Head of a community-minded family, Raymond has served on the board of the Golden West YMCA and was honored by them for his services to youth.

ALL SOULS CATHOLIC CHURCH

Rosemarie Rodondi Weds Daly City's Ario Gregori

All Souls Catholic Church was the site August 8 of the wedding of Rosemarie Rodondi of South San Francisco to Daly City's Ario Gregori. The couple will live in SSF after a Southern California honeymoon.

The Rev. Father William Quinn of St. Cecelia Church officiated for the nuptial event.

The bride is the daughter of B. J. Rodondi, 500 Magnolia avenue, and a graduate of South San Francisco High School. The groom, a Jefferson High graduate, is the son of Mrs. Vittoria Gregori, 229 2nd avenue, Daly City.

Rosemarie's brother, Arthur, is city clerk for the city of South San Francisco. She has one sister, Mrs. Olga Viti, of San Francisco, and four other brothers, Edward, Andrew, Mickey and Joseph Rodondi.

Matron of honor for the vow exchange was Mrs. Claudi Torretta. The bridesmaids were Barbara Sorriva, Alicia Rodondi, Julie Landi, Joane Grondona, Pat Montalto, and junior bridesmaid, Virginia Rodondi.

Ario was served by Richard Landi as best man. His ushers were Lou Cortopassi, Mario Leveroni, Lou Massoni, Victor Raggio and Danny Gregori. Allan Gregori was the junior attendant.

The bride, given away in marriage by her father, wore a traditional gown of pure white Chantilly lace and imported tulle. She carried a cascade bouquet of phalleonopsis, stephanotis and white orchids. The portrait neckline and long pointed sleeves of the Empire bodice were re-appliqued with a scalloped floral pattern of Chantilly lace. An Empress crown styled in a wheat pattern of crystals and tiny seed pearls secured the custom finger tip French silk illusion veil.

Knights of Columbus Hall in San Mateo was the site of the reception, featuring buffet supper and dancing.

Still Good Seats For Ice Follies During Final Weeks

The annual last-minute rush for Ice Follies tickets got under way with unusual force this week as Northern California families moved to secure seats before the show's San Francisco closing Sunday, September 6, on the Labor Day weekend.

Although the standing room only sign will probably go up several times before the closing performance, good seats are still available for almost all shows, according to Winterland Manager George J. Campbell. He advised Ice Follies fans to order seats immediately in order to avoid disappointment.

Ice Follies performances are held nightly at 8:30 p.m. except Sundays and Mondays. Two early shows are given on Sundays at 1:30 and 5:30 p.m., and there is a matinee on Saturdays at 2:30 p.m.

Tickets are available by phone or in person at the Winterland Box Office, Post and Steiner streets. They are also on sale at the Downtown Center Box Office in San Francisco and Sherman Clay in Oakland. Winterland ticket windows are open from 10 a.m. until 9 p.m.

Total Ice Follies attendance over 23 years is expected to reach 50 million by the end of the San Francisco run.

MISS Patricia Tiggard (right), popular local director of the YWCA, leaves her post with the North San Mateo County Unit YWCA this month. Miss Tiggard is transfering to the San Francisco office of the YWCA and will be engaged in specialized research work. Mrs. Elaine Wolf will be the new local director and will assume her duties on September 1. Shown above with Miss Tiggard is Mrs. William Hofmann, chairman of the YWCA Committee for this area. Mrs. Hofmann and several members of her committee recently honored Miss Tiggard at a farewell luncheon.

Mrs. Don Davis Chosen County Heart Chairman

Mrs. Don M. Davis of Hillsborough, long active in San Mateo County community projects, has been appointed Heart Sunday division chairman by the San Mateo County Heart Association.

William A. Burkett of San Mateo, Heart Fund chairman, made the announcement August 12). In 1960, the local association will conduct a house-to-house solicitation for research funds, with February 28 selected as Heart Fund Sunday.

Mrs. Davis will shortly be appointing community and area chairman for the north county district comprising Daly City, Brisbane, Colma, San Bruno South San Francisco, Geneva and Bayshore City.

Among Mrs. Davis' many associations, she works actively for the American Cancer Society, Salvation Army, Women's Volunteer Auxiliary of Children's Hospital, both the Boy Scouts of America and Girl Scouts of America, and the KQED volunteer group. She is a former woman's chairman of the United Bay Area Crusade.

A native Californian (her grandfather was Stephen Born, an early settler in San Mateo), Virginia attended Notre Dame in Belmont and College of San Mateo.

Marine Corps recruit training methods have been proven so successful that they are little changed since World War I.

QUESTIONS ANSWERED FOR VETS

Q—If I should add the total disability income rider to my GI insurance and later become disabled so I could not work, how much money would I receive?

A—You would receive, after you had been totally disabled for six months, income amounting to $10 a month for each $1000 of your GI insurance. The maximum payments are $100 a month.

Q—I have a service-connected disability. Can my family doctor treat my disability and send his bill to the VA?

A—If he has prior approval from VA, yes. Under law, that is necessary before he may treat your service-connected condition at Government expense.

Q—Is it possible to attend school less than half-time under the War Orphans Education program?

A—No. War Orphans payments may not be made to a student attending school less than half-time.

Q—Where can I write to get a replacement for my honorable discharge which is lost?

A—Write to the Personnel Records Center of the Armed Forces, 9700 Page Boulevard, St. Louis, Missouri. Give your service number and your branch of service. There is no charge for this replacement.

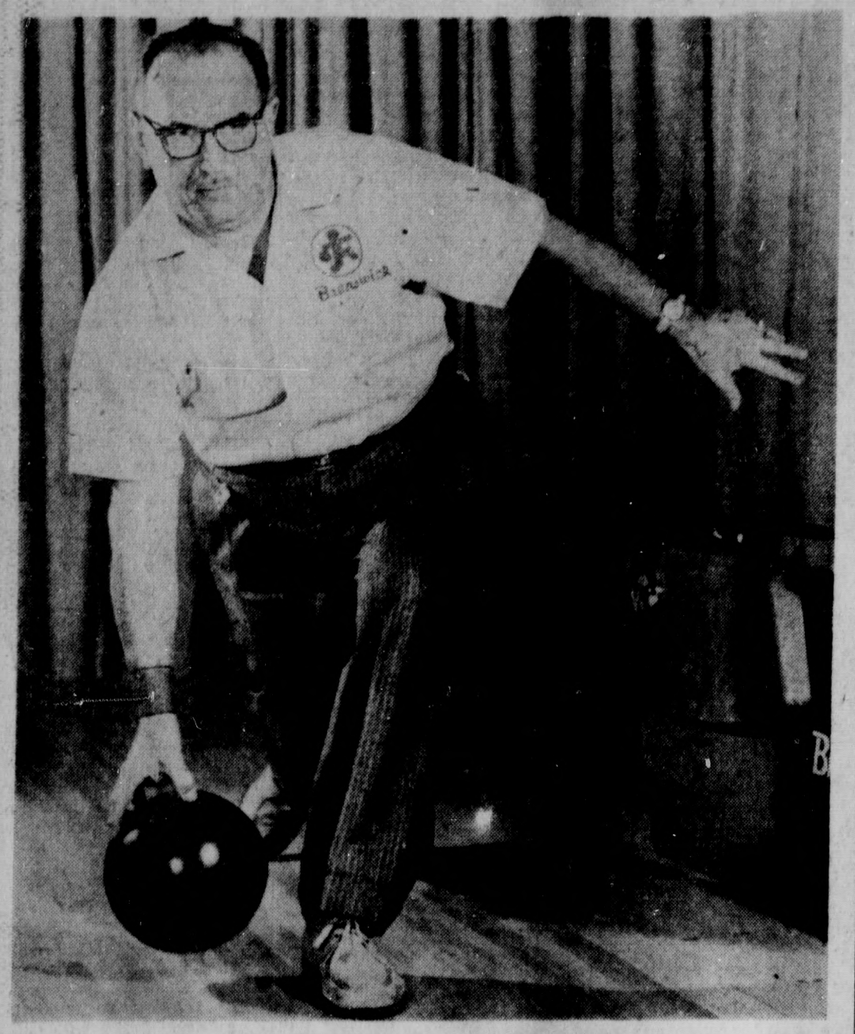
READY TO WARD OFF CHALLENGERS



WALTER WARD, a three time winner of All-American tenpin honors and a victor or runner-up in over 100 major tournaments, will appear at Swanson's Westlake Bowl this Saturday and Sunday in a special bowling exhibition. He holds an amazing record — showing an amazing average of 204 pins for more than 15,000 games.

HOLIDAY SCHEDULE FOR FLOOD PARK TOLD BY COUNTY

No reservations will be taken for Flood Park for any group on holidays, County Parks Superintendent Ralph H. Shaw announced today.

He reminded that holidays at Flood Park are set aside solely for local county tamiiy groups of less than 25. No group of 25 or over can be accommodated, Shaw said.

Dick Agee, Primo Liberatore To Vie With Walter Ward

By LEON COHN

A name well known in bowling circles, the opening ceremonies for the 52-lane establishment and some interesting match games are in store for the kegling fraternity this weekend on Johnny Swanson's Westlake Lanes.

This should whet the appetite of those attending and Manager Jim Grealish, who will emcee the affair, will start the ball rolling Saturday night at 7:30 p.m.

Walter Ward, the main attraction, whose home is in Cleveland, is one of the top bowlers in the country and will display his wares on the lanes Saturday and Sunday nights.

Delving into the records, it must be admitted that Ward ranks high in this respect. He has been bowling with the best for a period of 25 years and during that time has rolled 285 sanctioned 700 series. The record book also shows that he has ten 300 games to his credit. And recently, during the Cleveland City tournament, bowled another 300 game.

His opponents, Dick Agee, whom he meets Saturday night and Primo Liberatore, Sunday evening, are strong enough in averages to give Ward a tussle on the lanes. The starting time for the bowling matches will be 8 p.m.

Besides the match games, Walter will hold a clinic on Saturday and Sunday with a morning and evening session. Saturday times are 10 to 12 and 2 to 4. Sunday will be from 9 to 11 and 4 to 7.

He also will be available for anyone wishing to be measured for a bowling ball and answer questions regarding the various grips the top-notch bowlers use around the country.

Ward will also participate in the grand opening of the 20 new Brunswick lanes recently installed. Thus making Swanson's Westlake Bowl Northern California's largest lane establishment, 52 all told.

Also helping to provide entertainment for the spectators will be a few special matches. The Bantams, youngsters who have not reached the ripe old age of 11, will tangle in one of the settos.

The young old-timers, ages from 65 and over and led by Ora Mayer and Harry Alten, are scheduled to buck heads. Rumors have it that the losers will push the wheel chairs the balance of the evening.

A novel match will be a father-an-son combination opposing a mother-and-daughter group.

It had to come sooner or later. A tournament for Swanson's Westlake lanes. But this is for a worthy cause and it is to help the youngsters through the Daly City Police Athletic League, better known as the PAL.

Merchandising prizes will be the awards and it will be a three-game affair. The entry fee will be $2.75 and will commence August 23 and continue through September 19.

Fur-bearing Animal Hunts On The Wane

The catch and value of fur-bearing animals declined 22 percent during the 1958-59 season, compared to the preceding season, the California Department of Fish and Game announced today.

This follows a steadily declining trend evident during the last 10 years which has reflected lack of market demand.

The 1959 reports show that only 657 trapping licenses were taken out and only 301 licenses reported that they actually engaged in trapping. Their total catch was 70,000 animals, worth $71,000. The low total value is attributed to the continued low price paid for muskrat (less than a dollar apiece), which made up 90 percent of the catch.

This is a far cry from the mid-20's, when 6000 trappers harvested a half million dollars worth of fur annually.

Now, only mink, otter, and beaver, in the large sizes only, are in any great demand, the Department said.

Fashion has a direct bearing on the demand for furs. The introduction of synthetic materials, plus the absence of fur trim on cloth garments are probably the major reason for the continuing decline in the fur trade.

DC Drugs Win 'C' Loop; Lose Sundays Play-Off

REALTORS BEAT LI'L VILLAGE

Minucciani Realty won the O'Shaugnessy play-offs at Marchbanks Park Sunday by beating the Li'l Village nine which edged out Daly City Drugs, 2-1, in an earlier contest.

Li'l Village overcame a one run lead, which the Drugs held for three innings, by scoring the tying marker in the seventh and pushing across the winning score in the eighth.

The Drugs scored in the fourth when Skipper Crudo singled to right field and took second on Barry Krohn's sacrifice. Consecutive singles by Terry Christman and Bruce Usher scored Crudo.

Li'l Village knotted the game in the seventh when Krohn walked John Morris, surrendered a single to John Souza, and watched Morris cross the plate on a low throw to the catcher.

Two were down in the eighth when the Village nine again came to life. Dixie Howell walked and came all the way around when Jack Fuertes powered a drive that rolled to the clubhouse in deep left-center field. The Drugs, winners of the Northern Peninsula High School League, were bashed out of the play-offs by Fuertes blow.

Minucciani Realty, composed of South San Francisco High baseballers, won a forfeit game from Pacifica Sea Bowl and rode home to victory on the shutout throwing arm of Dan Emmett. Jerry Mansfield was the loser for the Li'l Village club.

Tom Dunn Ups Leadership At Belmont Oval

Championship point lead of Tom Dunn in the new NASCAR Stock Car Claiming Division was widened as result of his main event victory at Belmont Speedway last week, but point totals issued today show that brother Pat Dunn is keeping pace in second position.

Tom has rolled up 113 points since the tally began seven weeks ago. Pat now has 99 points.

Sliding into third place in standings was Texas "Smitty" Smith of Corpus Christi, with Emil Zola, Pacifica, falling from second to fourth as car trouble forced him out of major events last week.

A comparative newcomer to racing, Gary Nored, Redwood City, hurtled into seventh place in standings with his smashing second place in the last feature, indicating that he is a threat to leaders. With 24 cars in the main, Nored held off all challenges.

Sixty-two stock cars competed in the stock car and jalopy claiming events last Friday, eight of the cars out for the first time. Action was rugged with numerous spins and spills.

A spectacular pileup in the main, when car of Clark Greene, Redwood City, climbed completely over the upset car of Richard Faltersack, San Jose, left the crowd gasping. Greene was pinned, head down, in wreckage of his machine and Faltersack was first on hand to give a hand. Both drivers were shaken but neither required medical attention.

Officials announced that this week's racing card will include five regular heat races, 8 laps each; a trophy dash, 5 laps; two additional heat races to give late arrivals the chance to win transfer into the money events, the 12-lap semi-main and the 20-lap main. Belmont Speedway is a quarter mile dirt oval.

Tickets Still Bargain Rate For Gate Golf

Because many local divot fans haven't had a chance to take advantage of the $1 ticket offer for the $45,000 Golden the time limit for such bargain tickets will be extended to August 30, according to T. Weatherly Kemp, admissions chairman.

"We want every Bay Area resident to have a chance to get his tickets at the $1 a day rate before they go up to the $21 total day by day admission price," explained Kemp in extending his deadline two weeks.

After it was explained that some golf fans seeking tickets at various northern California golf clubs had been unable to secure the bargain ducats, Tournament Director C. A. McHugh promised quick action.

"Of these complaints, I can only assume that some of the local golf shops are sold out and haven't been able to replenish their supply as yet," said McHugh.

"This seems to be a healthy sign and should mean great crowds when the nation's top professionals come here to play at Harding Park, September 21-27," concluded McHugh.

WEST ALL-STARS HOLD PRACTICE AT SOUTH CITY

SOUTH SAN FRANCISCO—Defensive coach Joe Marvin of the West all-star prep football team is concerned about the deep back on his squad.

But that's the only problem Joe and co-coach Milt Axt have as the West heads into the second week of practice here today.

Taking part in the scrimmages and ready for action is Pete Garcia, halfback from Jefferson High, who was all Peninsula Athletic League in both 1957 and 1958.

"THE DEFENSE is ahead of the offense," Marvin said today after reviewing the first scrimmage.

He singled out Abe Bailey, line backer from Cubberley, Otis Cresham, end from Santa Clara, Steve Player, a tackle from San Mateo, and Tyrone Fabro, a wing back from Mountain View as the best of his defensive unit.

Rich Dixon of Riordan, who will start at end on offense, may be pressed into service as a deep defensive back.

"He looks like the best we have," Marvin said.

The West defense and offense will be hard hit if tackle Jack Cullen is unable to play. The 205-pounder from Sacred Heart had an injured ankle x-rayed today and the results will be known tomarrow.

IF CULLEN is unable to play, the West will use Steve Olds of Burlingame at the spot.

Second scrimmage of practice is scheduled for today and it will provide abetter chance for the offense to show its stuff.

Marvin and Axt have put together an offensive backfield of Jack Sparrow, Chris Jessen, Ron Tocchini, and Mike Doherty.

Sparrow, who played in the Shrine all-star game in Los Angeles two weeks ago, is far ahead of his teammates in knowledge of plays.

JESSEN is being used as a flanker back. He was the top pass reciever on the Peninsula as an end at Carlmont two years ago.

The all-star game will be played at Kezar Stadium one week from Thursday night.

Tickets are one sale at many Peninsula agencies and will be on sale at Kezar Stadium the night of the game.

With 35 nations expected to compete at the Olympic Winter Games February 18 to 28, 1960, Squaw Valley, California, will be host to over 1000 athletes, 2000 officials, and over 700 members of the press, radio and television.

HOBBLING HYNES CRACKS THREE RUN BASEHIT

Daly City Drugs used a player who could hardly walk leave alone run and he produced a three-run single to lead the Drugs to an 11-7 win over Pacifica Sea Bowl and keep the team's spotless record at 10-0 to win the San Francisco Recreation Department's "C" League.

Bill Hynes operating in right field with a sprained ankle, which he had injured the previous Tuesday, had to start in the game which found the Drugs using a makeshift lineup.

Hynes had bunted his first time up and stepped very weakly to the plate in the fifth inning with the bags loaded. With one out, the Pacificans figured him to bunt again. Hynes took as much of a toehold as his aching ankle would permit and bashed a liner over the third baseman's head. The ball took one generous bounce and all three runners scored. Hynes hobbled to first base with a single.

Barry Krohn, the only Drugs player fielding at a familiar station, first base, teed off for a single and triple to drive five runners across the plate. Bruce Usher also accounted for a three-bagger.

Billy Ludwigsen picked up his second win in the league though the five errors by his teammates at unfamiliar positions didn't help. He walked seven, hit one, and allowed four hits.

Man Ignores Own Hunt Club Rules; He's Shot, Dies

A hunter was accidentally shot and killed early in the coast deer season because he violated his own hunt club safety rules, Department of Fish and Game investigators learned.

It is the custom of the club to assign each hunter a station from which he is not supposed to stray. All members of the group know where these stations are and do not fire in their direction.

In this case, the victim left his station, but was still out of sight of other hunters. Another member of the club, firing at a deer, shot the man who left the spot he was supposed to be in.

Lake Merced Golfer Has Expensive Day

Lionel Alanson, 530 Euclid avenue, San Francisco, is not sure whether he had his wallet in his pants when he changed clothes at the Lake Merced Golf Course last Saturday. If he did, he's out $250.

Alanson told Daly City police he believes he placed his wallet in his trousers before leaving home to play golf between 8:30 a.m. and 5 p.m. Saturday. He changed clothes at the clubhouse and left his clothes in a locker, placing the key in a basket under the locker.

When he returned, the wallet, containing $180 cash and a $47 check was missing.

4 Teams Battle Down To Wire For Play-Off Spots

Four teams battled down to the wire in an effort to make the play-off in the Daly City Adult Softball League.

Ralph's Cleaners who are currently in first place, pending a play-off game between Wm. Lagomarsino & Co. and Daly City Drugs, knocked Baroni's out of any further competition by a 6-5 score. Rich Watso allowed only three hits but was in constant trouble because of numerous walks. The game could have gone either way until the final out was made.

Dan Goodwin came up with its first victory of the season, a 10-9 defeat of Consolidated Schools, which cost the schoolmen their chance to participate in the finals. Al St. John was the winning pitcher allowing seven hits, while his teammates were getting 10 hits off loser H. Stevenson.

The Daly City Drugs and Wm. Lagomarsino & Co. battled to an eight inning 1-1 tie and the game was called because of darkness. Both teams have cinched berths in the play-offs, but since it has a direct bearing on first place, the game will be re-scheduled from the start. Daly City Drugs with a victory could tie Ralph's Cleaners for the title honors.

Play-off games are scheduled to be played at Westlake Park August 26 & 27 starting at 6:15 p.m. Team pairings have not yet been decided due to the necessary play-off game.

FINAL STANDINGS

Fishing License Violations Top July Penalties

Angling without a license was the cause for more than one-third of all Fish and Game Code violations during July, the California Department of Fish and Game said today.

Of 837 arrests made by Fish and Game wardens, 337 were in the no-angling-license category. Angling with two rods resulted in 86 arrests. Carrying a loaded gun in an automobile resulted in 43 citations.

Arrests and fines were down from the previous two years. In July, 1958, wardens cited 1055 violators, compared to 1100 the previous July. Fines paid in July, 1959, totaled $22,-640. In July 1958, the total was $31,908 and in the previous July it was $26,841.

Public Utilities Safety Experts Report Truck Inspection Results

Safety experts of the California Public Utilities Commission continued their intensified campaign against truck accidents, to make highways safer for the public, by making complete inspections of 1053 vehicles during April, May and June at 374 terminals of for-hire carriers.

During the second - quarter inspections, 11 vehicles were found with unsafe brakes in such condition that the vehicles were ordered removed from service until repairs could be completed. There were 363 other vehicles which were found to have brake deficiencies and these were corrected before the trucks left the terminal.

Public Utilities Commission safety inspectors make exacting checks on company records of maintenance. They make sure that a copy of a physical examination is on file for each driver of a truck under safety jurisdiction of the Commission and examine the log of drivers' hours of service to find out whether they have complied with CPUC regulations limiting the number of consecutive hours a driver may operate a truck. Records of hauling explosives or other dangerous cargoes are checked for safety compliance.

In addition to braking deficiencies, 842 other instances were reported of variations from Commission orders, including inaccurate or incomplete record keeping; failure to maintain equipment properly; failure to make required periodic inspections of equipment; or other failure to comply with regulations.

Under Public Utilities Commission safety jurisdiction are 40,000 vehicles operated by highway common carriers hauling for the public for hire and by petroleum carriers. None of the 66,000 for - hire vehicles operated under state permits nor those operated by firms to haul their own goods are under safety jurisdiction of the Commission. These are under jurisdiction of the California Highway Patrol as to safety. Vehicles under Commission safety regulations make up only 38 percent of the for-hire trucks which have state authority to operate.

REDSKIN EAGLE MAY BEGIN FAD

By LOU LUCIA

Football is quickly coming into kicking season. Last year the Washington Redskins drafted a quarterback by the name of Eagle Day. Such an appropriateness of names — Eagle and Redskins — gives added publicity.

Maybe other teams should follow suit. The Chicago Cardinals could draft Archbishop John Mitty. Others should be as follows: San Francisco 49ers —Ed Sullivan, for who else has such a "gold pan" face"?

The Cleveland Brown eleven —Governor Pat Brown to go along with coach Paul Brown and fullback Jim Brown. The Baltimore Colts already have Alan "The Horse" Ameche, so why not sign Willie Shoemaker to ride him?

The Los Angeles Rams could sign Canadian Yvon Durelle, whos'e been ramming his head against Archie Moore's fists and is still alive. The Philadelphia Eagles could draft flying Colonel Jimmy Stewart, who also makes a living by posing for Alfred Hitchcock's shutterbugs.

The New York Giants to confuse things even more could draft the San Francisco Giants' Willie Mays, Willie Kirkland, Willie McCovey and have a "Willy-Nilly" time.

Chicago's Bears may pick up Max Bear and the Green Bay Packers, Tempest Storm. If the packing and Storm have to be identified, the reader is missing the connection.

The Pittsburgh Steelers could pick up Charles Harney, who's running out of metal at the Candlestick — being built for the World Series—if the Giants win it—if the finances will allow it, ad infinitum—Park.

GIANNECHINI HOLDS 9-1 RECORD

Leo Giannechini continues to pace former Daly City players in the minor leagues. He did not have any decisions in recent games but his 9-1 record speaks for itself. He is on option from the Dodgers and pitches for the Green Bay, Wisconsin, nine.

Jim Davis, another hurler, picked up a victory to even his record at 3-3 for the Sacramento Solons in the Pacific Coast League.

Al Figone, catcher for the Morristown, Tennessee, Appalachian - D League entry, hit .200 in his opening week with the team. Jerry Stack dropped three points while playing for the Fresno Giants but maintained a strong .323 average.

South San Francisco players in the professional leagues are Angelo Colombo, an infielder; Howard Goss, an outfielder; and Frank Zupo, a catcher.

Colombo's batting average for the Yakima, Washington, B League team is .351. Goss holds a .178 average thus far for the Gastonia, North Carolina, A League club. Zupo is batting .177 for the Stockton C League nine.
